PERMIT FOR DUST CONTROL

OWNER: _____ (Please Print)

ADDRESS: _____

CITY: _____ ZIP: _____

TOWNSHIP: _____ SECTION #: _____

PHONE #: _____ Email: _____

Address of dust control to be applied if different then the above:

Residing County: _____ # Of feet to be treated: _____

Check one: _____ 1 Application _____ 2 Applications

Conditions of Permit:

1. Be aware that we are required to give a TWO WEEK NOTICE to the office of the City/County Engineer so the roadbed can be prepared; therefore, we must have your permit returned to us by the deadline.
2. The County reserves the right before or after applications to maintain the road surface by blading as conditions warrant.
3. You *must* clearly flag the area you would like dust control applied. **It will be at the drivers' discretion if the area is not clearly visible. Flags also serve as reminders to the road maintenance crews.**
4. It is a possibility that your dust control may be bladed through at the beginning of October for winter preparation.

SIGNATURE OF OWNER: _____ DATE: _____

Payment method: Check (# _____) Credit/ Debit (Confirmation # _____)
