

Mitchell County Road Chemical Application

Owner: _____ (please print)

Address: _____

City: _____ Zip: _____

of Feet _____ # of Applications _____

Township: _____ Section # _____

Phone #: _____ E-mail: _____

Material used: Deano's Duster

CONDITIONS OF PERMIT:

1. Road chemicals may be applied by the owner or an approved contractor for the owner.
2. The only material approved for use on the roads is calcium chloride or lignin sulfonate. **USED MOTOR OIL IS NOT APPROVED.**
3. The owner shall maintain the treated area and repair any roughness that may develop. **Clearly flag the area to be treated. Flags must clearly remain visible during the entire dust control season.**
4. The County reserves the right to rework the treated areas and maintain them as loose granular surfaces if the owner fails to maintain the area in a condition acceptable to the County. Areas to receive two (2) applications of chemical will be lightly bladed prior to the second application to preserve the condition of the road. The owner or contractor should contact the County prior to each application if possible.
5. After October 15th the County will begin blading through treated areas in preparation for winter snow removal.
